## BOBBY WING RELEASE FORM

By biting into these Bobby Wings, you acknowledge you are about to try some of the hottest wings on the planet, and the sauce is generally considered to be better for stripping paint than for consuming. By eating these extremely spicy wings you agree and understand and agree that WINGS Restaurants cannot be held responsible for any of the symptoms or repercussions that may result from eating these wings including breathing fire, profuse sweating, steam emanating from your ears, loss of use of your tongue, burning lips, burning fingers, burning nostrils (or just burning all over), watery eyes, sweaty palms, dizziness, nausea and coughing.

By signing, you acknowledge you are ready to take part and participate in our **BOBBY WING CHALLENGE** and are brave enough to try them and suffer the consequences. You also recognize that food might taste bland and disappointing after trying these wings.

I hereby voluntarily agree to release and waive, the restaurant, its owners, employees and agents from any and all claims, liability, or losses for bodily injury which may arise, directly or indirectly, out of consumption of the Bobby Wings.

DON'T FORGET, THE BEST WINGS BURN TWICE!
