WINGS VERNON

OUR STORY

In 2001, Bobby had a game-changing idea: create a place where sports, family, and mouth-watering chicken wings could all play on the same team.

A place where every seat feels like the best seat in the house. Where the beer is cold, the TVs are always on, and the wings are worth getting messy for.

That idea became WINGS Restaurants & Pubs.

Twenty-five years later, we’re still proudly Canadian, family owned and operated, bringing together great food, big games, and unforgettable moments across British Columbia.

Our award-winning wings are made with Canadian farmed chicken using our proprietary process: brined for flavour, slow baked for tenderness, fried crispy to order, and tossed in bold sauces and seasonings.

Fine dining is someone else’s game.

Ours is **FUN DINING**.
